SUMMARY

Marketing graduate guided by creativity and storytelling, with a builder's mindset for taking ideas from concept to reality.

EDUCATION

Arab Academy for Science, Technology & Maritime Transport

Cairo, Egypt

Bachelor's Degree in Business Administration, Marketing

Expected Graduation: 2026

GPA: 3.65

Relevant Coursework: Integrated Marketing Communications, Consumer Behavior, Brand Management, Advertising Management, Digital Marketing, New Product Planning, Marketing Research, International Marketing, Public Relations, Strategic Management.

2 Certificates of Appreciation, Marketing Department Creativity Day — awarded by Head of Marketing Department for contributing four brand booths across two editions of the university's Creativity Day.

EXPERIENCE

PepsiCo

Cairo, Egypt

Talent Management Intern

July 2025 – August 2025

- Conceptualized and executed DARE Summer Interns 2025 engagement program for 80+ interns, designing all branded digital content, weekly brand knowledge competitions, and cross-functional activities aligned with PepsiCo's four core values.
- Launched #MyPepsiCoMoment International Intern Day campaign, creating visual communications that activated 80+ interns as brand ambassadors and generated 3,000+ LinkedIn impressions and 1,300+ organic reactions.
- Organized Speed Mentorship initiative connecting interns directly with senior PepsiCo leaders across functions.
- Conducted comprehensive intern feedback analysis and delivered formal presentation to mentor and senior management, with findings adopted to improve future intern program structure.

Orascom Construction PLC

Cairo, Egypt

Learning & Development Intern

August 2024 – September 2024

- Took progressive ownership of employee onboarding sessions within Orascom's L&D framework, advancing from observer to independently preparing session materials, structuring engagement activities, and facilitating sessions.
- Facilitated graduation ceremony for 35 interns across two batches, leading reflection discussions on professional growth and coordinating structured team-building activities.
- Audited Orascom's Core Competencies LMS module through outreach to 15-20 employees across departments, analyzing completion and comprehension levels, delivering recommendations report that informed future module updates.
- Synthesized cross-departmental employee feedback into formal report presented to L&D leadership, with findings adopted to strengthen onboarding and training structure for future intern batches.

Zilla Capital

Cairo, Egypt

Asset Management Intern

July 2024 – July 2024

- Constructed five-year financial model for Edita Food Industries, evaluating balance sheet performance and profitability trends across key indicators, presenting findings to mentor and incorporating structured feedback to refine analytical accuracy and strategic conclusions.

Research Analysis Intern

July 2024 – August 2024

- Authored 30+ MENA market research reports spanning macroeconomic, real estate, and investment sectors, compiled from live news sources and published publicly across Zilla Capital's website, newsletter, and email distribution to a subscriber base of 1,000+.
- Organized and structured daily market intelligence across multiple MENA sectors into clear, actionable research outputs distributed to institutional audiences across multiple platforms.

Marketing & Research Analysis Cross-Departmental Collaboration

July 2024 – August 2024

- Tasked by the Head of Research Analysis to develop a comprehensive social media content strategy, working directly with the Head of Research Analysis and Head of Marketing to bridge both departments and elevate content quality and audience engagement.

- Conducted comprehensive competitor analysis across financial sector social media platforms, identifying content gaps and opportunities, and delivered a full strategic presentation to both department heads recommending an elevated content approach aligned with Zilla Capital's brand identity, professional tone, and target audience.
- Strategy implemented in full by marketing team, growing average post engagement from 5-10 likes to 140-246 likes per post and supporting platform growth from 33,000 to 56,000+ LinkedIn followers, with strategy still active on Zilla Capital's platforms to date.

PROJECTS

OFFLINE — Digital Wellness Campaign

Grade: A+

Integrated Marketing Communications & Digital Marketing

- Designed and executed a 3-week awareness campaign promoting reduced screen time and healthier digital habits earning the project's A+ grade for end-to-end strategy across content, segmentation, and multi-platform distribution.
- Activated a live experiential booth attracting 40+ participants through trend-driven interactive games, branded giveaways, and gamified engagement mechanics tied to campaign messaging.

PULSE — Electrolyte Drink Brand

Brand Management

- Built a full brand identity from zero for PULSE, an Egyptian electrolyte brand targeting athletes, positioning it as a clean-label entrant in the local hydration market and structuring a 12-month go-to-market roadmap.
- Executed a live brand activation at the university's Creativity Day, drawing 100+ visitors including faculty heads, featuring a branded F1 reaction-speed game, custom merchandise, and product mockups, earning standout faculty recognition for execution quality.

SWAPPI — Skill Exchange Platform

Graduation Project — Top-Ranked by Panel

- Co-built the full business concept and platform direction for Swappi, an Egyptian skill-exchange platform that lets users trade skills directly or monetize their expertise, launched at swappi3.vercel.app as part of a 6-member team.
- Owned the digital marketing campaign strategy on a Miro-based campaign planning board, designing a 5-phase rollout across TikTok, Instagram, Facebook, and Google Ads, with focused execution across the first 3 phases.
- Activated a Swappi booth at the university's Creativity Day, drawing 100+ visitors through a live interactive skill-swap board, generating qualitative validation that visitors actively wanted to use the platform.
- Received direct investor interest from a graduation panelist, with Swappi ranked highest among the six peer teams reviewed in the same panel cycle.
